

## Be wary of **1,2,3** life insurance

**The recent surge of life insurance advertisements has attracted much interest and debate and as with everything in life, if something sounds too good to be true, it usually is.**

Everywhere you look, there are offers of affordable and easy life insurance. Simply call this number/click here and you can be approved in minutes. No medicals, minimal paperwork, and near instant approval.

Anything wrong with this picture? You bet.

At Oracle, we strongly believe in doing things

properly and that there is no substitute for professional advice. We ensure our advice is representative of you. If you consider what is at stake, it is your family's financial future and welfare; is that worth risking on a non-personalised life insurance solution?

If anyone in your social circle is contemplating life insurance options or would like to review their current cover, speak to John Nash, a specialist Adviser who will undertake a detailed analysis of your situation and provide advice based on your needs.
